

REMARKS

Applicants have amended the above-mentioned portions of the Specification for stylistic purposes, and for correcting minor typographical errors. Applicants submit that the above-mentioned amendments to the Specification do not add any new matter to the Application. Furthermore, the above-mentioned amendments comply with the provisions of 37 CFR §1.121. Therefore, Applicants respectfully request the Examiner to enter the aforementioned amendments.

CONCLUSION

For at least the reasons stated above, Applicants assert that the Application is now in a condition to issue as a patent. Applicants respectfully request that the Examiner call Applicants' Attorney at the below listed number if the Examiner believes that such a discussion would be helpful in resolving any remaining issues.
